

AG COUNCIL OF ARKANSAS

POLITICAL ACTION COMMITTEE

Promoting agriculture and advocating for farmers, landowners, and agricultural businesses.

ABOUT:

The Ag Council Political Action Committee (AG PAC) is a non-partisan, state focused political action arm of the Ag Council established in 2014 by our Board of Directors to increase visibility and provide contributions to candidates for public office where they may impact legislation and regulations affecting members.

WHY?

Agriculture is, and has always been, the number one contributor to our state's economy. However, rural populations, farm numbers and those directly involved in agriculture have all declined over the years. These demographic changes, along with an ever-changing political landscape, make it more challenging to get our message to resonate with policymakers. The PAC gives us the ability to be more effective by allowing us to directly support candidates who will go to bat for agriculture.

HOW?

With direction from the Board of Directors of the Ag Council, the PAC will support candidates running for office in the state of Arkansas in accordance to Arkansas laws governing political action committees. Candidates must demonstrate a strong commitment to agriculture. Our primary objective is to support candidates, regardless of party affiliation, who are in positions of leadership over policies that affect our members.

WHAT IF?

If you already give directly to candidates, we encourage your continued contributions to the candidates of your choice! However, by also donating to the PAC, you ensure that a unified voice, focused on issues related to agriculture, is heard loud and clear. Having the additional respected voice of the Ag Council is highly beneficial when policies that affect your bottom line are debated and voted on.

DONATE:

Consider participating in the Ag Council PAC with a donation of any amount, not to exceed \$5,000. The PAC is funded solely through voluntary contributions from individuals and businesses. Contributions can be made payable to the Agricultural Council of Arkansas PAC, and mailed to P.O. Box 250909, Little Rock, AR 72225. Thank you for your investment!

Dear Ag Council Member,

We need your support for our Political Action Committee (PAC). The 2018 election cycle is already upon us. This election will determine the leaders of all state constitutional offices and the composition of our general assembly. Agriculture has a tremendous amount at stake. Your contributions to the PAC will directly support candidates we believe will be in position to help us once in office.

Please consider sending a new contribution to the Ag Council PAC. **Contributions of up to \$5,000 to the Ag Council PAC can be accepted from both individuals and businesses in the form of a check or credit card payment.**

Thank you for investing in this effort!

Sincerely,
Andrew Grobmyer
Executive Vice President
