

# Ag Council of Arkansas “Happy Hour” Issues Update and CAC Fundraiser

The Ag Council of Arkansas, on behalf of our event hosts and in conjunction with the National Cotton Council; invite you and your fellow industry members to a “happy hour” event in your area in the coming weeks to celebrate recent legislative accomplishments of the NCC and to support CAC. CAC is the political action committee of the NCC and provides political resources to support Members of Congress who support our national priorities. The events will include NCC staff updates on important national and political issues along with the importance of a strong PAC.

You are urged to attend one of these sessions and join us in support of CAC. It is critical that the Arkansas cotton industry does its part in assuring our industry has the political resources to support Members who support rural American and our industry priorities. If you have any questions, contact Andrew Grobmyer ([andrew.grobmyer@agcouncil.net](mailto:andrew.grobmyer@agcouncil.net)). Thank you for your attention to this request.
